Independent Auditors' Report

To the members of
Trinidad and Tobago Transparency Institute

Report on the financial statements

We have audited the accompanying financial statements of Trinidad and Tobago Transparency Institute, which comprise the balance sheet as of 31 December 2007 and the income statement and cash flow statement for the year then ended and a summary of significant accounting policies and other explanatory notes.

Management's responsibility for the financial statements

Management is responsible for the preparation and the fair presentation of these financial statements in accordance with International Financial Reporting Standards. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Trinidad and Tobago Transparency Institute as of 31 December 2007, and its financial performance and cash flows for the year then ended in accordance with International Financial Reporting Standards.

SIGNIFICANT ACCOUNTING POLICIES

31 DECEMBER 2007

a. Basis of preparation

These financial statements are prepared under the historical cost convention and in accordance with International Financial Reporting Standards.

b. Use of estimates

The preparation of financial statements in conformity with International Financial Reporting Standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of the revenue and expenses during the period. Actual results could differ from these estimates.

c. Income and expenditure

The Institute is operated as the National Chapter of Transparency International. The income consists mainly of grants and membership subscriptions. Income and expenditure items are dealt with on the accruals basis. Any surplus or deficit on the income statement is carried forward to the Accumulated Fund.

d. Foreign currencies

Transactions originating in foreign currencies are recorded at the rate of exchange ruling at the date of the transactions. Assets and liabilities in foreign currencies are translated at the rates of exchange prevailing at the balance sheet date. Differences arising on translation are dealt with in the income statement.
