GUIDING PRINCIPLES

(from the Code of Ethics, Section II)

We are a civil society organisation committed to respecting the following principles:

1. As coalition builders, we will work co-operatively with all individuals and groups, with for-profit and not-for-profit corporations and organisations, and with governments and international bodies committed to the fight against corruption, subject only to the policies and priorities set by our governing bodies.
2. We undertake to be open, honest and accountable in our relationships with everyone we work with and with each other.
3. We will be democratic, politically non-partisan and non-sectarian in our work.
4. We will condemn corruption in all its forms with vigour and fortitude wherever it has been reliably identified, although we ourselves do not seek to expose or pursue individual cases of corruption.
5. The positions we take will be based on sound, objective and professional analysis and the highest standards of research available to us.
6. We will only accept funding that does not compromise our ability to address issues freely, thoroughly and objectively.
7. We will provide accurate and timely reports of our activities to our stakeholders.
8. We will respect and encourage respect for fundamental rights and freedoms.
9. We are committed to building, working with and working through national chapters worldwide to the greatest degree practicable.
10. We will strive for balanced and diverse representation on our governing bodies
11. We stand ready and prepared at all times to make our findings and recommendations public and, subject to such legal or moral restraints as may be equitably imposed on us from time to time, will do so in a manner not intended to target, belittle or castigate specific organisations and/or individuals.

MEMBERSHIP POLICY

(from the Code of Ethics, Section V)

Membership of TTTI is open to any person, company or other organisation that supports and observes the Guiding Principles ... and is deemed by the Board of Directors not to be engaged in any activity which may undermine the independence of TTTI.

Membership is not open to an individual or organisation that, in the opinion of the Board of Directors, is publicly perceived to be identified with and/or an active supporter of a political party or other organisation that has political aims and objectives in whole or in part or in any of its decisions.

Membership of TTTI should not be construed as an endorsement by TTTI of any member's activities or stated opinions.

Application for Membership

Application for membership must be submitted to the Secretary of TTTI for submission to the Board of Directors for its approval.

Cessation of Membership

As provided in Section VII of the By-Law, membership may be terminated by resignation. It may also be terminated as a result of failure to pay the annual subscription within a reasonable period, failure to comply with the provisions of the By-Law or conduct that is or may be injurious to TTTI.
